To the Permanent Representatives of the States Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on their Destruction

23 January 2019

BIOLOGICAL WEAPONS CONVENTION: CONFIDENCE-BUILDING MEASURES

Excellency,

In accordance with the decision of the Sixth Review Conference of the Biological Weapons Convention (BWC), I am writing to remind you formally that the deadline for the submission of the annual Confidence-Building Measures (CBMs) is approaching. I am pleased to inform you that 2018 saw the second highest ever number of CBMs submitted with a total of 78 reports received.

According to the decisions of past BWC review conferences, CBMs are to be submitted, using the agreed forms, to the BWC Implementation Support Unit (ISU) no later than 15 April each year. The Second Review Conference in 1986 agreed that States Parties are to implement the CBMs and subsequent review conferences have urged and called upon all States Parties to participate annually in the CBMs. In addition, resolutions adopted by the United Nations General Assembly have called upon all States Parties to participate.

The information to be provided should cover the previous calendar year. Your CBM covering calendar year 2018 should therefore be submitted to the ISU **no later than 15 April 2019**. States Parties have different options to submit their CBMs: in hard copy to the address below, in electronic format to the e-mail address above, or directly by filling in and submitting the CBM online via the new electronic CBM facility (https://bwc-ecbm.unog.ch).

The new eCBM facility was developed with a voluntary contribution from Germany and funding from the European Union under its Council Decision 2016/51 in support of the BWC. The eCBM facility was introduced at the Meeting of Experts on Strengthening National Implementation (MX3) on 13 August 2018. To facilitate the use of the platform, brief video clips and a separate user guide have been prepared. All information regarding participation in the CBMs can be found on the BWC website.

The eCBM facility also serves as the new repository for all CBMs received since 1987. Accordingly, all CBMs will be posted by the ISU on this platform, either on the publicly accessible or on the restricted part of the facility as per the guidance received from States Parties when submitting their reports.

Annexed to this letter is general summary information about the submission of CBMs since 1987. A total of 57 States Parties have never submitted CBMs and many have done so only irregularly. I would therefore like to recall that the ISU is available to answer any enquiries about the CBMs

from States Parties, and to help obtain any assistance that States Parties might require for preparing the CBMs. Please do not hesitate to contact the ISU to discuss any aspect of the CBM process.

In addition, Canada, Cuba, the United Kingdom of Great Britain and Northern Ireland and the United States of America have offered assistance in the compilation and submission of CBMs. Details of these offers are listed in the Cooperation and Assistance Database at http://www.unog.ch/bwc/database. We would also like to be informed of any technical difficulties experienced by States Parties in completing full and timely CBM submissions.

More information on the CBMs, including the necessary forms, can be found at http://www.unog.ch/bwc/cbms. In particular, I would like to draw your attention to the revised Measures, prepared by the ISU with the support of the European Union, which is available in all official languages at the same address.

Please accept, Excellency, the assurances of my highest consideration.

Daniel Feakes

Chief, Implementation Support Unit
