## Hotel accommodation and visas

The BWC Implementation Support Unit cannot offer financial or logistical support to assist with travel to, accommodation during, or other costs related to attending or contributing to the Meeting of Experts. **The Implementation Support Unit is not in a position to provide letters of invitation or letters to embassies or consulates requesting that States or NGO representatives be provided visas for travelling to Switzerland in order to attend the Meeting.** It is the responsibility of States or NGO representatives to make their own arrangements for visas, travel and related costs. Further information relating to the procedures and measures concerning the issuance of visas for Switzerland is available by contacting the Swiss embassy or consulate in the applicant's country of residence or by referring to the Swiss Federal Office for Migration

([http://www.bfm.admin.ch/content/bfm/en/home/themen/einreise/merkblatt\\_einreise.html](http://www.bfm.admin.ch/content/bfm/en/home/themen/einreise/merkblatt_einreise.html)). ## Attending Meetings

All formal sessions of the Meeting of Experts (including the public sessions) will be held in Room XVIII, located on the first floor of the E Building at the Palais des Nations (see map above).

Most side-events and NGO meetings will be held in Rooms XXII and XXIII, on the same floor of the main meeting room in the E Building. Details of the meetings scheduled for that day can be found on the screens opposite Door 40 located on the second floor of the E Building.

Private meetings for regional groups or other groups of States Parties may be held during the Meeting. The Secretariat will assist the Coordinators of the different groups with the announcements for such meetings and participants are kindly invited to check the notice boards regularly and/or the BWC ISU website ([www.unog.ch/bwc](http://www.unog.ch/bwc)) for additional details.

An up-to-date timetable of events, including formal meetings, side events and informal sessions will be available on the Meeting of Experts page of the BWC website ([www.unog.ch/bwc/meeting](http://www.unog.ch/bwc/meeting)).

Electronic boards outside each meeting room will clearly indicate whether the session in progress is public or private. All interested parties can attend public sessions. Private meetings are technically for States Parties only. Access for observer States, international organisations and guests of the meeting may be granted, on a case-by-case basis, depending upon the content of the session.

All side events will be public meetings and the widest possible participation is generally encouraged.

Food and drinks are strictly prohibited in the conference rooms. Activities involving food and drinks are allowed only in the areas designated for this purpose. Catering services should be contacted directly at [onu@eldora.ch](mailto:onu@eldora.ch), telephone number 022 917 56 19.

## **Rooms and office facilities for participants**

In addition to the main meeting room (room XVIII), two smaller meeting rooms have been reserved for use by States Parties. These may be used for regional group meetings and/or other private consultations. Rooms requests are issued on a first-come, first-served basis but every effort will always be made to accommodate room requests from States Parties. Those interested in reserving rooms should contact the Secretariat, located behind the conference room XVIII.

Delegates from States and international organizations have access to computer facilities, including internet connections and printers in the delegates' room located behind conference room XVIII. Wifi will also be available in the meeting rooms.

Conference rooms can be made available to NGOs **when they are not in use by States Parties**. NGOs may also make use of the computers and printers in the delegates' room but once again, **States Parties have priority**. Additional computing facilities are available at the Cyberspace area of the UNOG library (Door 20, B Building, see map above).

**Copy and reproduction facilities will not be available** to participants.

**A limited number** of conference participants are also able to leave large luggage with security at the Pregny gate. After being cleared by Security, baggage is stored in special lockers. The Security Service has noticed that during busy periods, such as on the last day of a meeting, numerous delegates bring their luggage with them to the Palais des Nations after having checked out of their hotel. **The Security Service wishes us to remind all delegates that once the limited storage capacity is exhausted, no additional luggage will be accepted.**

**For security reasons, luggage and other belongings from participants cannot be stored in the offices of the Secretariat.** The Secretariat will authorize removal of materials judged to be inappropriate.

Participants can also make use of the various cafes, cafeterias and restaurants in the Palais des Nations. The closest is the Serpent Bar which can be found behind Room XVIII on the first floor of the E Building. Other facilities in the E Building at the Palais des Nations which might be of interest, include: the UNOG Bookshop (Door 41, second floor); UBS bank (Door 41, second floor).

A Post Office is located at Door 6, C Building (see map) and SAFI (a small general shop at Door 1, S Building, see map).

## **Documentation**

Pre-session background information documents will be prepared by the Implementation Support Unit. The background and procedural documents will be made available early in advance of the commencement of the Meeting of Experts.

States Parties wishing to submit official documents for the Meeting (information documents, working papers, etc.) should provide both electronic and hard copies to the Implementation Support Unit. Electronic copies should be sent to [bwc@unog.ch](mailto:bwc@unog.ch). Please get in touch to discuss your specific requirements.

States and international organizations granted observer status might also wish to provide information to delegations at the Meeting of Experts. Documents should be submitted in electronic and hard copy to the Implementation Support Unit. Electronic copies should be sent to [bwc@unog.ch](mailto:bwc@unog.ch). Where possible, similar arrangements will be used for guests of the meeting.

NGOs are not permitted to submit official documents to the Meeting.

Official documents of the Meeting of Experts will be made available for collection from the documents booth inside conference room XVIII. Participants are reminded to check whether a private meeting is taking place before entering this room. The documents will also be made available on the website of the Convention ([www.unog.ch/bwc](http://www.unog.ch/bwc)) as they become available.
